

have served our country around the world in the name of freedom and democracy.

The debt that we owe to them is immeasurable.

Their sacrifices, and those of their families, are freedom's foundation.

Without the brave efforts of all the soldiers, sailors, airmen, marines and Coast Guardsmen and women and their families, our country would not live so freely.

I offer my deepest gratitude to our nation's troops and reservists, their families, and the 21.6 million veterans, including 29,126 here in the 18th Congressional District.

21.6 million brave men and women are veterans of our nation's military service.

This includes more than 2 million women, 2.7 million African American men and women, 1.5 million Hispanic men and women, 342,000 Asian American Pacific Islanders, and 178,000 American Indians.

Nine in ten military families believe the public does not understand or appreciate their sacrifices.

We use Veterans Day to show our veterans and military families how important they are to us and how grateful we are for them each and every day.

November is National Caregivers Month to show our caregivers how grateful we are for them.

It is only fitting that we thank those caregivers who serve our military today.

5.5 million spouses, parents, children, and other loved ones care for our wounded warriors and 15 percent of caregivers spend 40-plus hours a week providing care for our military families.

As a senior member of the House Committees on Judiciary and Homeland Security, I care deeply about our veterans.

In Congress, I have sponsored many legislative proposals and co-sponsored more than 50 pieces of legislation that will positively benefit our veterans and their families.

On the battlefield, the military pledges to leave no soldier behind.

As a nation, let it be our pledge that when they return home, we leave no veteran behind.

This day and every day let us honor their service with actions that fulfill our commitment to our troops, their families, and our veterans—and that are worthy of our grateful nation.

HONORING MICHIGAN STATE UNIVERSITY'S VICTORY OVER THE UNIVERSITY OF MICHIGAN

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 9, 2021

Ms. SLOTKIN. Madam Speaker, I rise today to honor a team that has electrified the East Lansing community with its accomplishments both on and off the field—the 2021 Michigan State University football team.

Under the leadership of Coach Mel Tucker, the Spartans' motto is "relentless." The word is stamped on the back of the players' helmets and it's present in everything the players do. Since the first offseason conditioning practice, the players have had an energy drilled into them that has translated to an undefeated season with four games left to play. Today,

MSU is the fifth-ranked team in the nation because of what Coach Tucker calls the "deep water."

Madam Speaker, the deep water is a place that you don't want to be in. The deep water is cold, dark, and disorienting. For the MSU football team, their success lies in their ability to take their opponents to the deep water—to outlast them both physically and mentally.

As a result, this Spartan team has been defying the odds and the naysayers. And after last Saturday's comeback victory against the University of Michigan, it's clear that this team has what it takes to go all the way.

Heisman-favorite Kenneth Walker III put on a clinic, scoring all five touchdowns and notching 191 rushing yards—101 of them in the fourth quarter alone. Quarterback Payton Thorne and wide receiver Jayden Reed, teammates who have been playing together since middle school, connected on a two-point conversion late in the game to complete a 16-point comeback. And on defense, everyone from linebacker Simeon Barrow to freshman cornerback Chuck Brantley personified the idea of "bend, don't break" as they came up with clutch plays time and time again. It's because of their relentless efforts, and the efforts of every member of the roster, that the Paul Bunyan trophy is staying home with the Sparty faithful.

From campus to Congress, the MSU-UM rivalry is an example of how good old fashioned competition can bring out the best in us. To that end, I want to thank my dear friend Representative DINGELL for being a good sport and rallying the alumni as part of our prank war last week.

In closing, Madam Speaker, I include in the RECORD the Michigan State fight song, "Victory for MSU". And today, tomorrow, and forever: Go Green.

On the banks of the Red Cedar,
There's a school that's known to all;
Its specialty is winning,
And those Spartans play good ball;
Spartan teams are never beaten,
All through the game they fight;
Fight for the only colors:

Green and White.
Smash right through that line of blue,
Watch the points keep growing,
Spartan teams are bound to win,
They're fighting with a vim!
Rah! Rah! Rah!
Michigan is weakening,
We're going to win this game,
Fight! Fight! Rah! Team, Fight!
Victory for MSU

Mrs. SPARTZ. Madam Speaker, I rise today to highlight a veteran constituent of mine, Chuck Haberman, of Noblesville, Indiana. Chuck served in the United States Marine Corps from 2007 until 2014.

HONORING FITZGERALD BARRINGTON DAVIS

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 9, 2021

Ms. SCHAKOWSKY. Madam Speaker, I rise to honor the life of Fitzgerald Barrington Davis, who passed away peacefully on November 1, 2021, at the age of 77 after a long and courageous battle with Parkinson's disease dementia. He was surrounded by his loved ones at the time of his passing and they will continue to honor his legacy of faith, unconditional love, and kindness. His son Dave Davis was a valued member of my district office team for many years.

Fitzgerald was born in Jamaica on May 15, 1944, to Barrington and Gwendolyn Davis. He attended Saint Ann Technical Trade School to pursue his interest in building, design, and construction. As a contractor for the Roads and Works Department in Kingston, Jamaica he oversaw the development of critical infrastructure projects in and around the Kingston area.

Fitzgerald understood that his job was more than just repairing roads and buildings and that these investments in infrastructure could benefit underserved families through community development and jobs. He created programs to help young people learn trades and develop their skills and subsequently employed many of these young people and provided them with opportunities for growth,
